

#### NMBA Anti-Trust Statement

*"The New Mexico Broadcasters Association has a policy of strict compliance with federal and state antitrust laws. The antitrust laws prohibit competitors from engaging in actions that could result in unreasonable restraint of trade. Consequently, New Mexico Broadcasters Association members must avoid discussing certain topics when they are together – both at formal association membership, board, committee, and other meetings and in informal contacts with other industry members: prices, fees, rates, profit margins, or other terms or conditions of sale (including allowances, credit terms, and warranties); allocation of markets or customers or division of territories; or refusals to deal with or boycotts of suppliers, customers or other third parties."*
