Distracted Drivers

Keep New Mexico roads safe! Don't be distracted with phone calls, texting, talking to your passengers or even daydreaming. Many car crashes occur when the driver is doing something other than driving. Drive safe, New Mexico! Sponsored by NMDOT

Underage Drinking

Think drinking alcohol doesn't hurt you? Think again. Forget about sports, forget about school, forget about much of anything. Underage drinking freaks out your body and messes up your life! Think before you drink!

"The NMAA and the NMDOT have teamed up to create an interactive, on-line program to teach students about the dangers of alcohol as it relates to their life and athletic performance. Log-on to life of an athlete.com for more information."

"The NMAA would like to remind you that the score of any athletic event is generally forgotten over time, but the actions of the players, coaches and spectators can result in lifelong memories. The next time you attend a high school game, think of how history will remember you. Sportsmanship is a key essence of the game and the only way to truly Compete with Class."
